The world would be better and brighter
if our teachers would dwell on the Duty of Happiness as well as on Happiness of Duty, for we ought to be as cheerful as we can, if only because to be happy ourselves is a most effectual contribution to the happiness of others.

Foreword

We, *the Skirmisher Staff of '66*, have attempted to give you, the Cadets of the Academy, a fine book containing lasting memories of the life and friends you are leaving behind. Of course we cannot express the deep sense of devotion, pride and gratitude felt by each of us toward this fine Academy. So in this pictorial account we have tried to give you a lasting idea of what our lives are like here and show how it built character into our lives. The past years of learning, our physical, spiritual and mental growth into young manhood, the emotions we have felt, and the fellowships we have had will be reflected here. Our minds have been developed by rigorous training, our bodies have been made healthy by strict physical discipline, and our spirits have been morally molded toward Christian ideals. We hope to have shown here a record of our accomplishments and, as a tribute to the Academy, as well as a reminder to ourselves, the great opportunities we were given while here. It is hoped that a small portion of each of us has been captured within the following pages so that the friendships we have made will not be lost as we depart from a way of life that we have come to love and enjoy.

Justice is God in our lives,
Love is peace in our lives.
Ignorance is slavery.
Happiness is the only good.
The time to be happy is now,
The place to be happy is here, and
The way to be happy is to make others so.

Dedication

The 1966 edition of The *Skirmisher* is dedicated with respect, with affection, and with deep admiration to *Captain Henry T. Pulliam*, Librarian of the Academy since 1958 and for three prior years a member of the Academy teaching faculty.

We, the members of the Senior Class of 1966, respect Captain Pulliam for his professional excellence, for his intellectual competency in a myriad of fields, and for his indefatigable efforts to make our library what it should be—the central core of our educational environment. We hold him in sincere affection because of his congenial nature and because of his optimistic, humorous personality. We admire him for his great love of the Academy and for the young men it serves, for his abiding interest in the problems, challenges, and general well-being of our lives at Fork Union Military Academy, for his unending and cheerful willingness to be of help to anyone and everyone at all times.

Captain Pulliam, the dedication of this edition of The *Skirmisher* is the highest accolade within our power to bestow; if we could do more, it would be accomplished without delay. We wish for you many more years of happiness in that work which you obviously love best—serving the cadets at Fork Union Military Academy as their librarian and genial counselor. Ave atque vale to a genuine friend whom we shall always remember!

Administrative Staff and Faculty

We will always be indebted to the members of the Faculty for guiding us through the important formative years of our lives. They have been our shepherds along the paths to wisdom and manhood. In the classroom, on the athletic field and on the Circle, they have given us their time and efforts without hesitation or selfishness. We, the senior class, along with the underclassmen, have great respect and feelings of gratitude for these men and the duties which they perform. The Faculty is not merely a group of instructors, but a group of men interested in their work and always anxious to help a cadet whenever they can, even with personal problems. Each member of our faculty has been well trained in his field and all have been exposed to many different problems and ways of life. Their wealth of knowledge is a constant assistance to us in planning and living our lives. Again the seniors wish to thank these dedicated scholars for the guidance they have so unselfishly given us and for the knowledge we so greatly need for success. As we age and grow in wisdom, we will realize the value of this debt, which we can never repay, to these men who were our teachers and our friends.

A sound mind in a sound body
is the basis of a sound society.

—OSLER

The dream of graduation was a far off goal when we arrived at Fork Union as freshmen. It was just an idea that could be defined but never experienced until we ourselves had become experienced. As each year passed, that dream became closer, until it ceased to be a dream; it had become a reality. The pages that follow reveal the history of our class, the seniors who made it so, and a listing of their ranks and achievements. We have been educated, but our thirst for knowledge has not been quenched; it has merely been stimulated. Each year holds memories in a student's heart, but no one year holds as many so meaningful as this year, for this year we are seniors. Although this year holds our hour of glory, it also holds our hour of sadness. We know that when the gavel falls on the twenty-eighth of May we will say our final good-byes to our most intimate friends, whom we may never see again. As time speeds onward, we hope that our paths will cross many times with those of others who graduated with us. We, *The Skirmisher Staff*, join with the senior class in thanking the Faculty and the Academy for their help in making our graduation possible. We came to Fork Union as individuals, but we do not leave alone; with each of us fond memories remain of the life we have had here.

THE INTERIOR OF THE JOHN J. WICKER CHAPEL

Senior Class History

1962-1966

During our years at Fork Union Military Academy, the members of the Senior Class of 1966 have seen many changes around the campus. Twenty-four of a hundred and five members of the Class of '66 came to Fork Union Military Academy before the eighth grade. They were the ones who represented the class at the construction of the Sabre Shop, Main Gate, Fork Union Motor Lodge and Restaurant, the new swimming pool, and the remodeling of Hatcher Hall. Since then, the class has witnessed a new heating system, new faculty homes, and new tennis courts.

The Class of '66 survived several changes in the administration and faculty also. During our freshmen year, *Colonel* C. B. Henderson took over as Commandant, and at the start of our senior year *Major* R. L. *Red* Pulliam became our Commandant. *Major* Pulliam also served as our class adviser. It was through his efforts that the class became aware that they were not a diversified group but a single unit. Of the group of one hundred and five students, ninety per cent are expected to attend college.

This class was very active in athletic events. The Varsity Football Team won the Virginia Military League Football Championship for the past three years. The Junior Varsity Football Team defended their title as League Champions. In our junior year the Swimming Team won the National Prep School Swimming Championship. Other Fork Union teams have also had winning records. We feel that our class contributed our share of fine athletes.

A feeling of creativeness was visible not only in scholastic and athletic levels, but also in extracurricular activities. It was through the efforts of this year's graduating class and club advisers, for example, that the Drama Society came to life and presented a Christmas program. The DeMolay was re-created after having been dormant for a number of years. Also the wrestling team and weight training club were organized.

So, in the past twelve years, our class has been formed from all over the United States of America and a number of other countries. A group of students who have shared together the experiences of secondary education will now graduate. Their paths will scatter, their goals will vary, but they have all been influenced in some way by their attendance at Fork Union. As we depart, we will each carry with us the many varied and interesting experiences and knowledge we gained while here at the Academy. It will be with joy, happiness, and a tear here and there, as we say good-bye to beloved classmates, fellow students and our esteemed faculty, who have been so understanding over the years. We feel that our class of '66 has been outstanding, and we each hope to return some day to our first love—The Academy.

Military

The basic objective of our military program this year has been to lay a foundation in each cadet for intelligent and disciplined citizenship by teaching habits of precision, orderliness, military courtesy, leadership, and respect for and loyalty to constituted authority. As we have worked and trained together, most of us have gained a deeper realization and a sharper understanding of mutual rights and corresponding responsibilities and obligations.

Fork Union Military Academy is a college preparatory school. Its chief purpose is to prepare our Cadets for college by giving them a sound education reinforced by the best features of military training. Military training teaches the value of a methodical and orderly approach to tasks, of physical and mental fitness, and of alertness and self confidence. It teaches how to command and how to obey, how to organize and coordinate, and how to maintain morale and discipline. Most of all, it instills the conviction that any sacrifice must be made when principle is involved and that truth, honor and integrity are the bases of character.

Military training teaches our Cadets to be prepared to meet difficult situations courageously and effectively, to make decisions and enforce them, to lead when it is their duty to lead, to follow when it is their duty to follow, and to inspire confidence through their resourcefulness and courage. Such qualities Fork Union Military Academy attempts to develop in its Cadets. This training is not given at the expense of academic education. On the contrary, the aim is to make academic training effective through the development of military virtues. Famous men in many vocations and in many parts of the world attest the value of a rigorous regimen in the classroom, barracks and the drill field.

The visible symbol of military training at Fork Union Military Academy is the proudly-worn uniform. It is a constant reminder that every cadet is expected to assume the poise and culture of a student and the honor and bearing of a gentleman.

"I hope and trust that every officer and man will endeavor to live and act as becomes a Christian soldier defending the dearest rights and liberties of his country."—General Washington

The N. C. O.'s Club

The Cadet Non-Commissioned Officers are all the cadets with the rank of corporal through master sergeant. Each has a definite assignment in his respective unit; therefore, his responsibilities are many. We are very proud of the high standards maintained during the year by this fine group of cadets. Our N.C.O. group has been well trained by our Military Department. Out of this group of cadet N.C.O.'s will come the cadet officers for the following year. They are sponsored by Captains Britton and Davis, who are members of our combined Military and Commandant's Department.

Rifle Team

The rifle team is a competitor in the Virginia Military Schools rifle league and fires shoulder to shoulder matches on a home and home basis with other teams in the league. Postal matches are also conducted, each team firing a regulation match on its home range and mailing these scores to the host school for comparison. The rifle team was coached by *Commander* E. F. Chandler, U. S. Coast Guard Reserve (*Retired*).

Retan Rifles

Membership in the Retan Rifles, the elite marching organization of the cadet corps, is open to all cadets who show an interest and a proficiency in drill. A distinctive shoulder patch, helmet, shoulder cord, and the U. S. Army '03 rifle readily identifies a cadet as a member of the Retan Rifles. During this school year the honor platoon participated in the Tobacco Festival Parade in Richmond, the Christmas Parade in Lynchburg, and the Azalea Festival in Norfolk, Va. This precision unit also provides the half time activities for home football games and presents exhibition drills for the Corps and visitors during spring reviews. This year the honor platoon is commanded by *Cadet Captain* W. A. Everard and is sponsored by the Military Department here at Fork Union. *Captain* W. C. Davis, U. S. Army (*Retired*), is advisor to the Retan Rifles.

Organizations

Every school must have clubs and organizations as a part of a well-rounded education. We are fortunate to have a variety of these activities on our campus. It is recognized by all that a young man must be able to enjoy the freedom of thought and relaxation, and these clubs offer just that. All cadets are encouraged to join a club or organization. These clubs are based on a variety of subjects ranging from science, journalism, debating, religion, to any field in which a cadet shows interest. Each club offers guidance in many fields; a means for a cadet to occupy part of his free time doing something he enjoys, and a chance to express his ideas to his fellow cadets. We would like to thank the members of the faculty who have devoted their interest and given up part of their own leisure time to sponsor our clubs as advisers. Without their help we could not have succeeded in our efforts to organize these activities.

"Every man's work, whether it be literature, music, pictures, architecture or anything else, is always a portrait of himself, and the more he tries to conceal himself the more clearly will his character appear in spite of him."

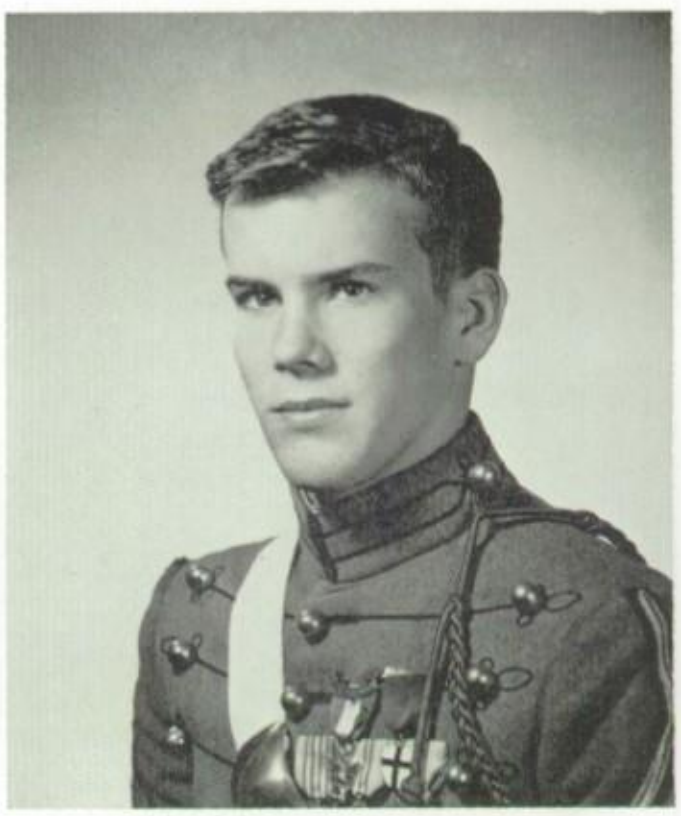
Quill and Scroll



Lieutenant
Paul Lamont Alley
President

The Quill and Scroll Honorary Journalism Society was organized in 1926 by a group of high school advisers for the purpose of encouraging individual achievement in journalistic endeavors. Membership is not open to everyone, and each year a few cadets are chosen for this honor. Membership is based on the following requirements: (1) A candidate must be at least a junior in class standing. (2) He must be in the upper third of his class in overall scholastic work. (3) Each candidate must have contributed to some phase of journalistic work in a superior manner. (4) He must be approved by the advisor. (5) He must be approved by the executive secretary. The Fork Union Chapter of the Quill and Scroll was organized in the school year of 1946 and 1947. The Quill and Scroll is one of the two international organizations of the Academy.

George F. Skinner — *Vice President*

Gregory W. Fox — *Secretary-Treasurer*

Dale E. Kloss — *Chairman of Program Committee*

The Cadet Christian Union is designed to serve as a practical and useful way through which a wholesome Christian atmosphere may be exhibited and encouraged on our campus. Meetings for fellowship and discussion of religious topics are held each Monday evening at six-thirty. The C.C.U. also serves as a link between the cadets and the local churches. Similar organizations are active in many colleges and schools and serve as the medium by which religious activities are made available to our students. During its sixteenth year as an active club at the Academy, the C.C.U. is under the direction of *Colonel* George C. Patterson.

The Fork Union Chapter of the National Honor Society is made up of post-graduates, seniors and juniors who are elected to membership on the basis of superiority in scholarship, service, leadership and character. The National Honor Society is comparable to Phi Beta Kappa of college level. Its purposes are to create an enthusiasm for scholarship, to promote worthy leadership, to stimulate a desire to render service and to encourage the development of character.

In addition to the cadets listed below, the Fork Union Chapter includes also a chapter council consisting of five members of the administration and faculty: *Colonel* H. M. Waldron, *Majors*, H. R. Kelly and H. F. Reichenbach, and *Captains*, J. M. Hunt and E. H. Lacy. Seniors and juniors are recommended for membership by the cadet members and elected by the chapter Council. The chapter holds regular meetings.

The Sports Club, now in its fifteenth year, is under the direction of *Captains* Ron Clark and Jerry Austin. The club is one of the most popular extra-curricular activities at the Academy. The club offers entertainment and instruction in the form of movies, which are always enjoyed by all. Movies of football, basketball, and baseball are the most popular; but also included are minor sports like hockey, tennis, swimming, and auto racing. These films shown to Cadets are of the top performance and excellent instruction by the great men and women of yesterday and today. Our hopes are that the club will continue to carry on in the future as it has in the past.

Duncan Mark Gamlen
Consule

The Junior Classical League is a national organization composed of local classical clubs in junior and senior high schools. 1965-1966 marks the sixth year of the Fork Union Chapter. Presently there are eighty-five thousand members with the Fork Union Chapter contributing fourteen to this number. The Junior Classical League is the largest and fastest growing classical organization in the world today. Completion of our participation in the Latin courses offered at each local school is the only requirement for membership. Once a student is admitted to the local club, he automatically becomes a member of the national organization and receives his pin and membership card. The highlights of the club's activities is the "Latin Week" celebrated in April. During this week the club offers a display in the library, participation in a chapel program, and generally advertises the merits of Latin and Roman civilization to the members of the corps. Also during the month of April the club sponsors selected members in the statewide Latin examination. At Commencement the club presents a Latin award key to the member who has shown the highest academic excellence in Latin and who has made the greatest contribution to the activities of the club. The fundamental purpose of the Junior Classical League is to encourage among young people an interest in and an appreciation of the civilization, language, literature and art of ancient Greece and Rome, and to give them some understanding of the debt of our culture to that of Classical antiquity.

The Guidance Club makes available to its members and the Cadet Corps, for guidance purposes, educational, and social information. The objectives in presenting educational information are these: understanding the requirements for admission to the colleges which interest the cadets, discovering the availability of scholarships for college and developing good study habits. The presentation of occupational information has these objectives: to study the general areas of work and to study specific vocational and professional fields, to develop tentative plans for vocational or professional preparation upon graduating from F.U.M.A., and learn to locate and use reliable sources of occupational information. The objectives in presenting social information are as follows: to aid the member in achieving a better understanding of themselves

The Folk Music Club, now in its third year at the Academy, is enjoying a very prosperous or at least entertaining year under the direction of *Captain* Campbell. Along with the traditional singing of the folk lore and folk rock at its regular Wednesday night meetings, the club plans to attend some shows of more noted folk singers in Richmond and Charlottesville. We hope the club will be successful, or at least have as much fun next year as we had this year.

Commander E. F. Chandler — *Coach*

The Fork Union Military Academy NRA Junior Rifle Club is composed of Cadets who take a genuine interest in shooting. Directly associated with the National Rifle Association, its objectives are to develop qualities of sportsmanship, fair play, manliness, self control and cooperation, so essential for success in life. Cadets receive instruction in nomenclature, shooting techniques, and above all, safety in the handling of weapons. All firing is conducted under NRA regulations. Certificates of proficiency are awarded to individual Cadets as qualification through the various shooting stages are established. Beginning with the novice rating of Pre-Marksman, Cadets may continue progress and eventually attain the rating of Distinguished Expert, the top NRA award. Outstanding shooters are invited to compete for a position on the FUMA rifle team.

The Athenian Literary Society, throughout this its 55th year, has been an organization striving for the advancement of speaking ability. Techniques have been explored, speech characteristics studied and developed in weekly meetings, and topics of interest to the entire group discussed. We listened to the readings of favorite poems and great speeches, and we had some oratory we felt was good. Yet, perhaps, the most singularly interesting activity was debating, and we all put a great deal of work into it. Our chief goal has been to nourish the ability and instill the desire to be an exceptional and competent orator. We hope there will be as many good times and profitable experiences for the Society throughout its lifetime.

Alan J. Alexander — *Secretary*

Edwin J. Messinger — *Sergeant-at-Arms*

This Society is the older of the two literary sacieties on the campus, being founded in 1908. It was divided into two societies in 1911. The main purpose of the society is to develop better speaking habits and to develop an appreciation for the art of speaking. Every week the society has a program in which the members actively participate, by stressing the importance of debating, declamations, orations and the reading of poetry. These meetings provide the members with a chance to speak in front of a group. This work is done throughout the year; and the final debate, at the end of the year, climaxes the cadet's work.

The Fork Union Military Academy Glee Club is composed of the members of the corps who love to sing. Numbering twenty members, it builds its program from the finest musical literature, both secular and religious. The Glee Club presents a number of concerts throughout the year, both at the Academy and out of town. It is hoped that the experience gained will stay with these young men for many years to come and that the spirit of song will remain in their hearts. Our faculty adviser and instructor, *Captain* Harold A. Lowry has been a great addition to our Glee Club.

President

The Radio Club is in its fourth year of active operation. The club is sponsored by *Captain* N. W. Paulette, one of the history instructors at Fork Union. The Radio Club has two arms of operation: the school radio station and the amateur electronics shop. The radio station is operated with the purpose of bringing to the cadet corps the latest in popular music, special announcements, and various programs of interest to the cadets. The electronics shop, which is located in the chapel tower, is used for experimenting, short wave listening, and amateur radio operation. Members of the club are encouraged to acquire an operator's license by passing a standard government test. The club hopes to continue to serve the cadets and bring a better knowledge to its members of the procedures of operating many kinds of electronic equipment.

Chess is probably the most ancient of all games of pure skill. Its origin is lost in the legends and traditions of the past. In the hands of masters chess becomes one of the most intricate and interesting games ever invented. Its value as mental training has often been urged. Our club meets every Wednesday night, and the membership has doubled over the past year. During the year tournament matches are held among the members, and awards are given to the three top players during our commencement program. The Chess Club is under the direction of *Captain* Henry T. Pulliam.

Earl W. Arnold — *Vice President*

Clayton W. Gove — *Secretary-Treasurer*

This is the third year of operation for the Fork Union Photography Club. This year's club has equipment such as a room equipped with a sink, tables, and many other modern developing apparatuses. The aim of the club is to give cadets an opportunity to develop the pictures they have taken. The darkroom provides members with hours of fun and experience. This year the club has seven old members and twelve new members. The president of the club, *Bob* Sullivan, has provided a great deal of aid in getting the club interested in taking and developing their pictures.

Our attentions were directed toward a historical retrospect of astronomy and its implications with respece to the humanities and of modern physical sciences. In our club, we investigate the nature of scientific research through discussion, projects, and experiments. It is a desired outcome of our club that more questions are evoked than are answered, thus encouraging our members to search for the answers. The Science Club is composed of cadets who are interested in scientific and related subjects. Our club, through experiments and discussion, tries to give its members opportunities to see, understand, and appreciate better that with which we are not familiar or which we casually take for granted. The club desires to keep alive and help the interest of Cadets who seek knowledge in a scientific world.

and a more mature relation with other people, to become more adept in the social graces, to appreciate the wise use of leisure time, to gain a better understanding of civic responsibility, and to foster the continued growth of ethical standards by which to judge personal conduct. The Club seeks to accomplish these objectives by using films, by members independently studying available materials of the Club, by the sponsor and other staff members, and by encouraging private conferences with the sponsor and other staff members. The Guidance Club has accumulated a considerable amount of materials related to the above objectives. These materials have been placed in the Retan Library and are available to all cadets as well as members of the Club.

The Order of DeMolay was founded in 1919 by Frank S. Land, a social worker in Kansas City, Missouri. Mister Land's purpose was to build an organization which strives to build young men into better sons and citizens. After Mister Land's death in 1959, Mister George M. Saunders became Grand Secretary of the order. The DeMolay which preaches no religious creed, bases its work on the paternal influence. The DeMolay being strongly patriotic also is very civic-minded. The Fork Union Club this year already has on its agenda several projects which are entwined with a great amount of secret work. The club also has many projects outside of the chapter which aid and comfort those in distress. Requirements for admission are: (1) the applicant must be between the ages of 14 and 21. (2) he must have one Masonic sponsor and two DeMolay sponsors, and be of good moral character. The club is not a new club, but one taken out of dormancy by Christian cadets who wish to share the order with their fellows.

The Last Will and Testament

Through the years at Fork Union Military Academy, it has been the duty and privilege of the Senior Class to write its Last Will and Testament. It is a necessity for the Class of '66 to leave their irreplaceable legacies to the fortunate underclassmen who will be allowed to return next year. This document is surely one of the most important things published during the school year. Being of questionably sound mind and body, the members of the Senior Class of 1966 do hereby leave the following benefactions:

After many hours of deliberation *Wilk Wilkerson* and *Randy Bernhard* leave their favorite expressions at F.U.M.A. to *Captains* "O" and "J.Y.D." To Jim Kay, *Kent Carter* leaves an extraordinary ability to hit his mouth when eating Mess I. *J. C. Belcher* leaves his roommate 127 empty Benson and Hedges boxes and to W. F. Brady, one slightly used wedding ring. *Joe Williard* leaves his undying love for his alma mater to Lee Briscoe in hopes that he will have better luck next year.

Bill Everard wishes he could have done it sooner, but now he wants to leave his phone bill and twenty demerits to anyone else who thinks he is in love. *T. R. Broadaway* leaves a collection of used soap from the Seniors of "B" Company in hopes that a use can be found for it. *Terry Stewart* leaves a useless vocabulary list and an expensive vial of incense to his next company commander. *Gary Edwards* is the lucky recipient of *George Regan's rank.* As duly and legally recorded, *Speedy Skinner* leaves his college board scores and his coolness to Jerry McDaniel in hopes that Jerry will follow in his footsteps. *Rhet Powell* wanted to leave his sexy legs to Tommy Stanfield, but decided he might need them for himself. Vincent P. Foti is the lucky recipient of *Emmett Jordan's* friendship with the T.O. The wealthy *Speedy Skinner* and *Bruce Reagan* leave room B-108 and the pipes that are in it to anyone who has a hammer and will pay the rent. The collection of used tea bags that *Jim Ferguson* has are left to Gary Edwards and Steve Haywood so they will have what they deserve. *Wally Wallace* bequeathes a warped recording of "Gloria" to Tom Stanfield. The coveted ability to come back late from Christmas Leave after being warned not to is left to E. F. Rivera by *Bryan Giron. J. P. O'Callaghan* leaves R. M. Duncan all his brownie points in "Mr. Clean's Company." *J. C. Bradley* leaves to W. E. Ward and G. W. Fox one used picture frame and a one way ticket from Denton, Maryland. Dale Schumann is willed a very limey character passed on by *Scott Edwards.* An ability to keep his long hair away from the *Wizard* is left to Charlie Wood by *Skip Whittier. Mike Sklenar* leaves his uncanny ability to play soccer to Jerry McDaniel. *Norm Chandler* leaves his address book of the numerous Fork Union girls to the next biggest "week-ender."

W. E. Smith leaves his vast storehouse of knowledge to the library to double the number of books. *Dale Kloss* leaves his love for the mortuary to Stan Forshay. Jim Dinnis is the recipient of *Spider Cassell's* masculine build. After great deliberation, *Roger Bod Lackens* leaves his nickname to the infamous J. P. Cutting, and hopes he will use it in good health. *William Reinhardt* leaves a great loyalty to the Commandant's Department, his military (?) know-how,

and a spare key to the Wm. Frank Hotel to Henry Chandler in the hopes that he may increase his social grace next year. *Robby Allen* leaves a bottle of Jergen's Hand Lotion to G. D. Johnston. *Michael Bush* wills his northern charm to F. R. Beers. *Karate Johnny Read* leaves Danny Nelson his personal books on the art of friendship and how to gain popularity.

Charlie Cross leaves his Judo and Karate lessons and muscle equipment to Big Tom Soyars. *Mickie Sullivan* leaves Dickie Jennings all of his speed and agility on the football field. *Pat Henry* wills his two feet of bed extensions to Dinnis Bunker and his shoes to *Coach* Nauss so he can ski in the pool this summer.

Steve Schmidt and *Pat Dempsey* leave their "Big Secret" and their knowledge of the Academy's inner most scandals to "Massive" Mike Carney and "Big Gar" Speicher. *Josh Tharrington* wills the rear seat of the Academy station wagon to Jeff Earnest in hopes he will have as much fun on the football trips. *Duncan Gamlen* leaves his membership in N.H.S. to R. A. Dickerson in hopes he will have better luck. *Ed Schenk* leaves his talent to always babysit for the little Ross's to the next provost marshall. *Doug Dodd* leaves his key to the door at the Wm. Frank Hotel to Don Deans and friends. The *E. D. boys* leave their last roll of Certs to Ed Schenk in hopes that he will take the hint. *Plow Jockey Follin* leaves his ability for getting out of putting up the flag to the next color guard commander in hopes that he will do the same. Jimmy John receives twenty pounds of muscles from *Bill Landis*. *Bob Brunelli's* reputation as a bum is left to any *beachboy* who can live up to it.

Steve Starr leaves his fantastic speed to James Mustin. All of *Don Poe's* excess weight is left to D. A. Schumann so he will no longer be called a runt. *C. R. Lewis* leaves to T. L. Akers a great ability to get five stripes in four years. *John Gries* leaves his winning ways with the girls to R. W. Thompson in hopes that he will have the same success! *Mark Kiriakow* leaves a bottle of Man Tan and his black book to James Goodfellow Mustin. *Russ Miller* leaves his good looks, long flashy eyebrows and a magnetic personality to Walter Johnston in hopes that he will have the same success. Jit-Jit Jacobi is the proud recipient of *Tom Dyer's* command voice. After much deliberation *Buz Griffin* decided to leave his membership in the *Unreal Club* and his southern accent to Duncan Mallory. Since they wanted them so bad, *Allen Powell* has decided to leave his long brown bangs to the Commandant's Department. *David Lee Mahaney* leaves his popularity with the company commander and his ability to shine boots to Charles Clough. *Nelson E. Confer* leaves an unusual ability to get caught to Ronald Mais. *Carl C. Machemer* leaves his superior leadership qualities to Jim Long. *Bill Elledge* leaves a remarkable story about his cars to R. A. Dickerson. After much consideration *Paul Alley* leaves his dirty glass to Jim Dinnis and his years of experience as a platoon leader to Glenn *duh-duh* Brumm in the hopes that they will take advantage of their opportunity. Last, but maybe not least, *Jack Ely* would like to leave Langdon C. Kerr two dozen pair of rancid socks in the hopes that he will enjoy them as a post graduate.

Be it hereby known that all the possessions above are duly and legally passed over to the recipient immediately upon graduation.

CLASS OF 1966

Sports

Cadets are urged to take part in all phases of life at the academy, as we feel that athletic participation is as equally rewarding to the cadet and his team as is our academic achievements. So at Fork Union, athletics play a major role in our school curricula. Besides providing entertainment for spectators, our athletic games increase school spirit and bring forth a closer relationship of the students and faculty. Athletic games teach their participants many lessons. Among them are teamwork, sportsmanship, and fair play. If a man has not learned these traits, his chances of success in life are limited. Teamwork teaches him to work with others, while sportsmanship teaches him to face victory with loss and to compete fairly with his fellowman. For these lessons and many others, we are indebted and greatly appreciative to our fine coaching staff. For cadets not competing for a varsity or junior varsity position, Fork Union offers a wide range intermural program, consisting of all major interscholastic sports.

"When the great scorer comes to call, it is not whether you have won or lost, but how you played the game."

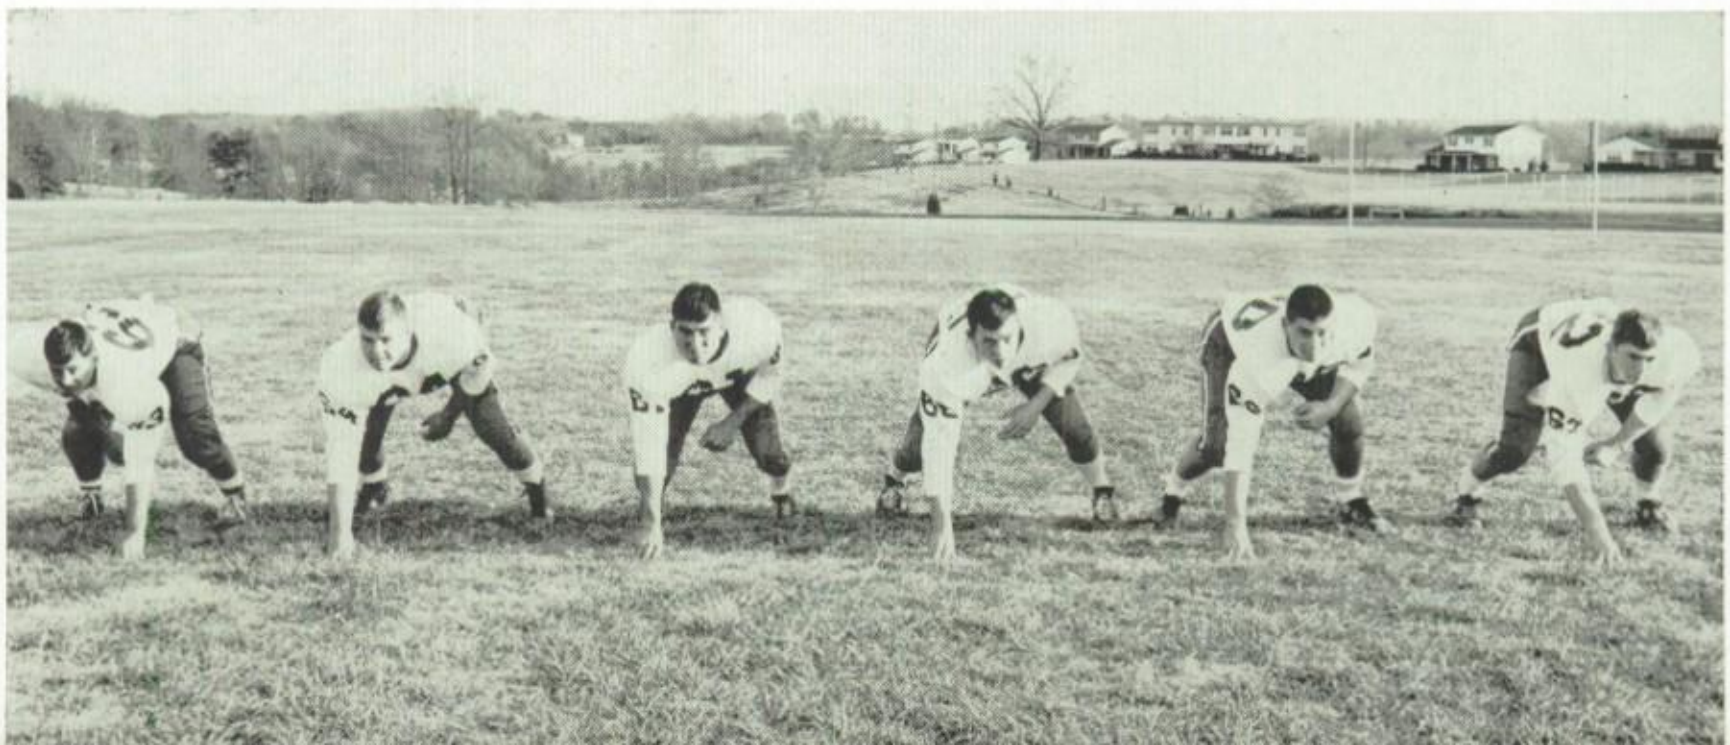
14 FREDERICK MILITARY ACADEMY vs. F. U. M. A. 7

September 18 was not an enjoyable one for the varsity Blue-Devils as they were defeated by Frederick Military Academy 14-7 in their opening game of the '65 season. Injuries prior to the game in practices kept the team from scrimmaging enough; thus the team was not completely prepared. Frederick scored first early in the second quarter with a T.D., the point after being missed. Minutes later, after *Tom Diedrich* received an injury and left the game temporarily, our quarterback *Garland Hudson* threw a long pass to end *Jim Keith* for a F.U.M.A. score. Halfback *Bill Jones* converted, and the score was 7-6 in our favor. After the half Frederick broke the ice with a third period touchdown, the extra-point again being missed. They also scored a two-point safety in the fourth quarter. Fork Union was unable to move the ball well offensively throughout the game. Phil Culley of Frederick Military Academy was credited with two touchdown passes. The defensive line looked very good, but faulty pass defense set up the Frederick scores. The game did indicate, though, that the team has great potential, so on to Hargrave.

0 HARGRAVE MILITARY ACADEMY vs. F. U. M. A 21

The Blue-Devils found Hargrave to be not quite as tough as Frederick. After a fine kick-off return, the team quickly drove deep into Hargrave territory. *Joe Pancza* finally crossed the goal-line for our first T.D. *Bill Jones* converted to make the score 7-0. After that neither team could move the ball well until the fourth quarter when F.U.M.A. got started again. Soon after the start of the fourth period quarter-back *Garland Hudson* scored, and later in the same period *Jim Keith* made a circus catch in the end zone. *Bill Jones* converted both times and Fork Union led 21-0. Hargrave, who usually provides tough competition, had only one man who was a challenge to the defense, half-back *Rick Bane*, who had a great day of running. Still, Fork Union came out on top in the first league game. *Garland Hudson* completed nine of twelve pass attempts, including a 29-yard T.D. pass to *Jim Keith*. Tackle *Dick Biddle* spear-headed the Big Blue's strong defense. We now have a 1-1 mark.

Guards on F.U.M.A. Teams: Lee Pearce; *Frank* Gallo; *Ken* Maute; *Roy* Bailey; *John* Farina; *Don* Farnsworth.



1st Team (Offense): *Tom* Diedrich; *Phil* Grappo; *Joe* Pancza; *Ken* Maute; *Joe* Lebedz; *Garland* Hudson; *John* Buonassisi; *Coach Red* Pulliam; *John* Farino; *Mike* Sheridan; *Dick* Biddle; *Jim* Keith.

42 NAVY PLEBES vs. F. U. M. A. 0

On October 2 the varsity met with what everyone considered their toughest opposition of the season, Navy Plebes. Actually the Blue Devils did not look as bad as the score indicated. The Big Blue Devils held Navy to only four or five yards on the ground rushing. The off-setting factor was that Navy gained in excess of 200 yards by passing. In that same department Fork Union's quarter-back *Garland Hudson* completed eighteen passes, the majority being caught by ends *Jim Keith* and *Tom Diedrich*. Two or three times F.U.M.A. got a fine drive going only to be thwarted deep in Navy territory. Once Fork Union got to the ten yard line, but Navy held and blocked an attempted field goal. The main thing that broke Fork Union's punch happened in the last five minutes of the first half, when Navy scored three touchdowns, one by Tom Sharritt, half-back, one each by full-backs Tom Belichick and Chip Estey. Quarterback Clint Harden led the aerial attack for the Plebes.

7 GREENRIER MILITARY SCHOOL vs. F. U. M. A. 13

Saturday, October 9, found the Fork Union Blue-Devils faced with their second game in league competition in the town of Lewisburg, West Virginia. The Greenbrier crowd proved very tough when compared to the Hargrave Tigers, but the Blue-Devils came away with a 13-7 edge to win. Both Fork Union touchdowns came in the first period by passes from *Garland Hudson* and *Eddie McMichael* to *Joe Pancza*. The first extra point attempt was blocked by the Greenbrier line, but after the second score Bill Jones succeeded in kicking the ball through the up-rights. After the fast start in the first period Fork Union was unable to take the ball in again. The main reason for this was that all through the game F.U.M.A. was plagued with penalties on top of penalties. Greenbriar, on the other hand, had not a single one. Only a tough defensive showing by F.U.M.A. kept Greenbrier from scoring more than seven. This victory evened up Fork Union's overall record at 2-2. Greenbrier scored in the final period, when Ted Budd tallied on a 9-yard pass play from Don Paul.

Fullbacks on F.U.M.A. Teams: Greer Hubbard; *Mike* Codd; *Butch* Colson; *Joe* Lebedz.

Quarterbacks on F.U.M.A. Teams: Garland Hudson; *Mike* Rogers; *Doug Williams; Eddie* McMichael.

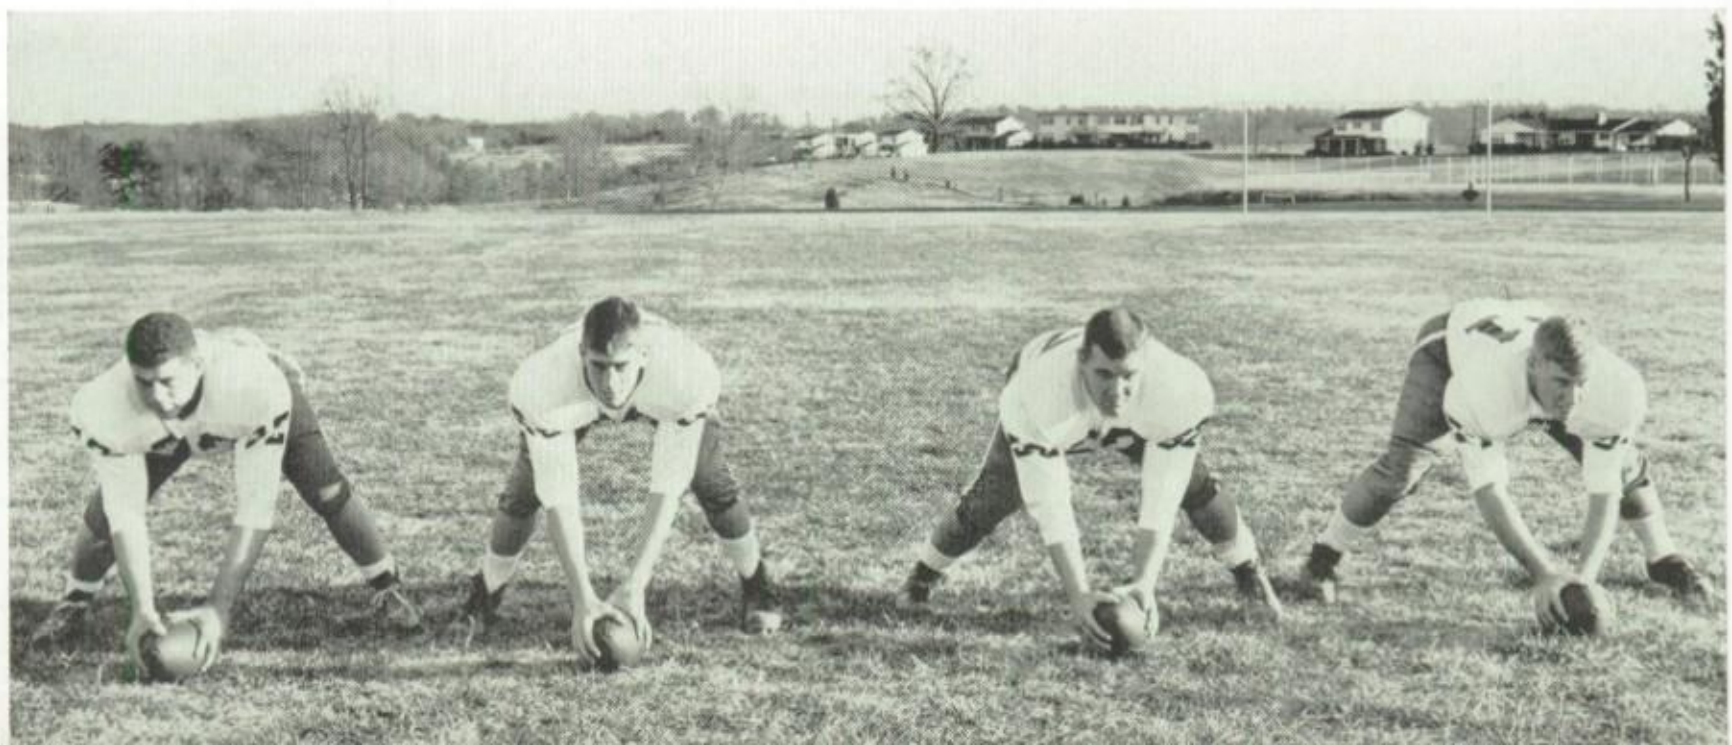
6 FLINTHILL ACADEMY vs. F. U. M. A. 49

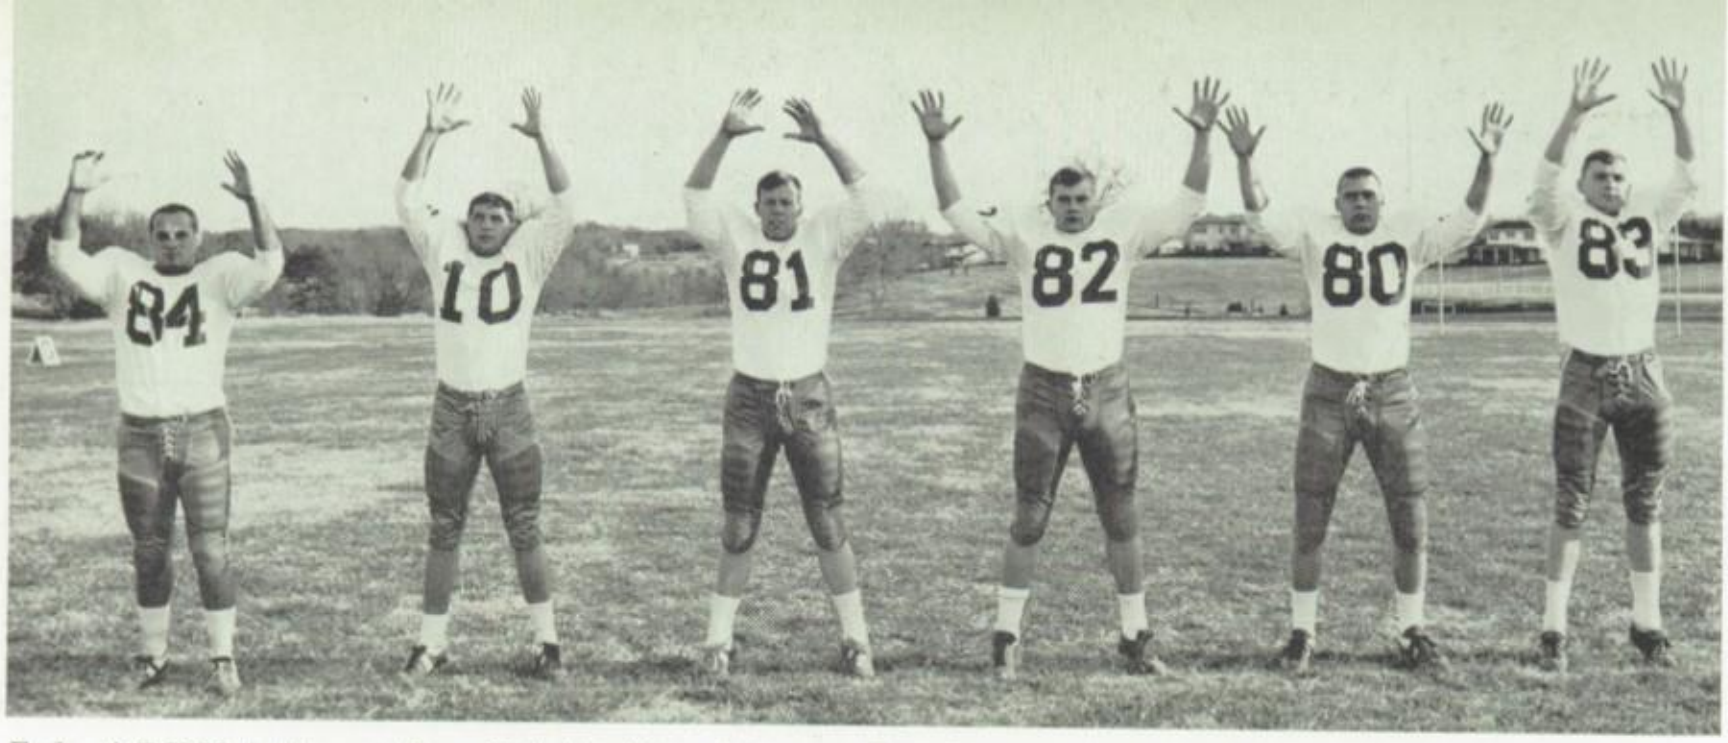
Our Big Blues had to go to Fairfax, Virginia, for their encounter with Flinthill. The game was played under the lights, our only night game. The Blue Devils, from the very first part of the game, looked like they would have nothing but difficulties, because on the first play offensively for Flinthill, a speedy back ran off tackle for a touchdown. The point-after was missed, and Flinthill led 6-0. After that one play it was Fork Union for the rest of the way. Since the scholarship years, which ended in 1959, the highest point total a varsity squad at F.U.M.A. had run up was 28. At Flinthill, though, the Blue Devils ran up a terrific score of 49. *Ed McMichael* scored one touchdown, *Jim Keith* scored two, *Joe Pancza* scored two, and *Art Roberson* scored two. One of Art's was made on an interception in the end zone and a 102 yard return. This victory gave Fork Union a more respectable record with a 3-2 mark. The team, with half the season gone, has profited by their every mistake and look for no more losses.

8 WASHINGTON & LEE FRESHMEN vs. F. U. M. A. 18

In previous years the varsity Blue-Devils used to have one fairly easy game, that being with Washington & Lee Freshmen. Nevertheless, a new year can bring new things, and this one brought toughened up opposition. All the way through both teams hit hard with W & L receiving the injuries. Still W & L held Fork Union to only one touchdown during the first half. They also got a touchdown of their own, made the two point conversion, and led at the half 8-6. Fork Union came back on the field determined in the second half and put another touchdown on the board. Again the conversion attempt was missed, and F.U.M.A. regained the lead 12-8. W & L fought back, and twice it looked like they might score, but they were held both times, while Fork Union managed to wrap up the game with a fourth quarter touchdown. The game ended at 18-8. *Joe Lebedz* had a fine day at full back, scoring two touchdowns. His counterpart at that position, *Willard Colson*, also scored one. With 6 games down and 4 to go the Big Blue Team has a 4-2 record, but in League play they are tops to date.

Centers on F.U.M.A. Teams: Fred Willis; *John* Buonassisi; *Jerry* Hendershott; *Scott* Sieling.





Ends of F.U.M.A. Teams: Tony Gabriel; *Marcel* Grasso; *Tom* Diedrich; *Bill* Shelly; *Jim* Keith; *Mike* Payne.

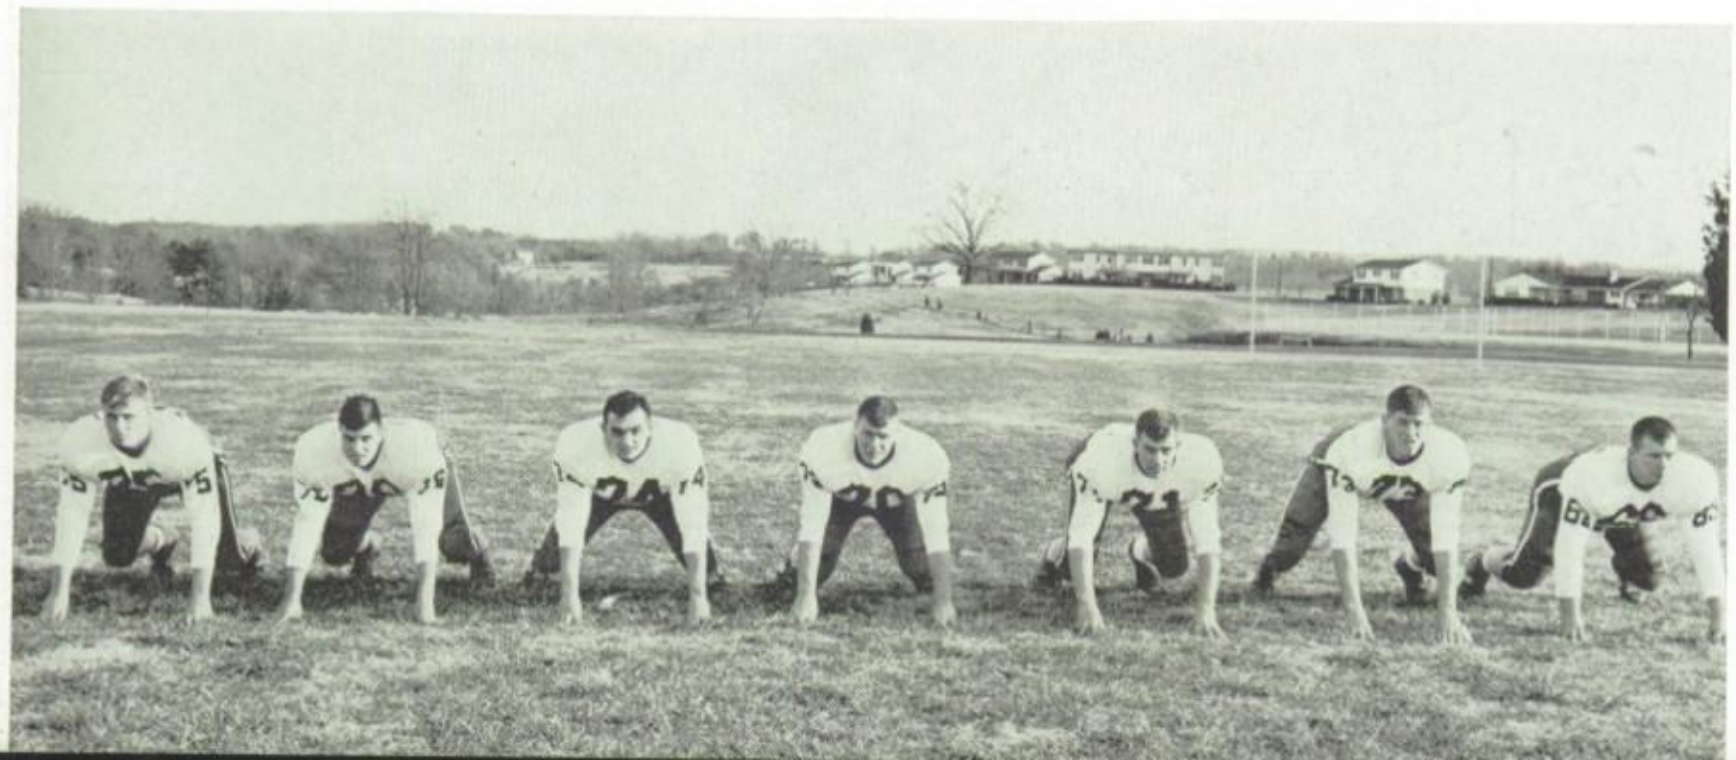
6 CAROLINA MILITARY ACADEMY vs. F. U. M. A. 36

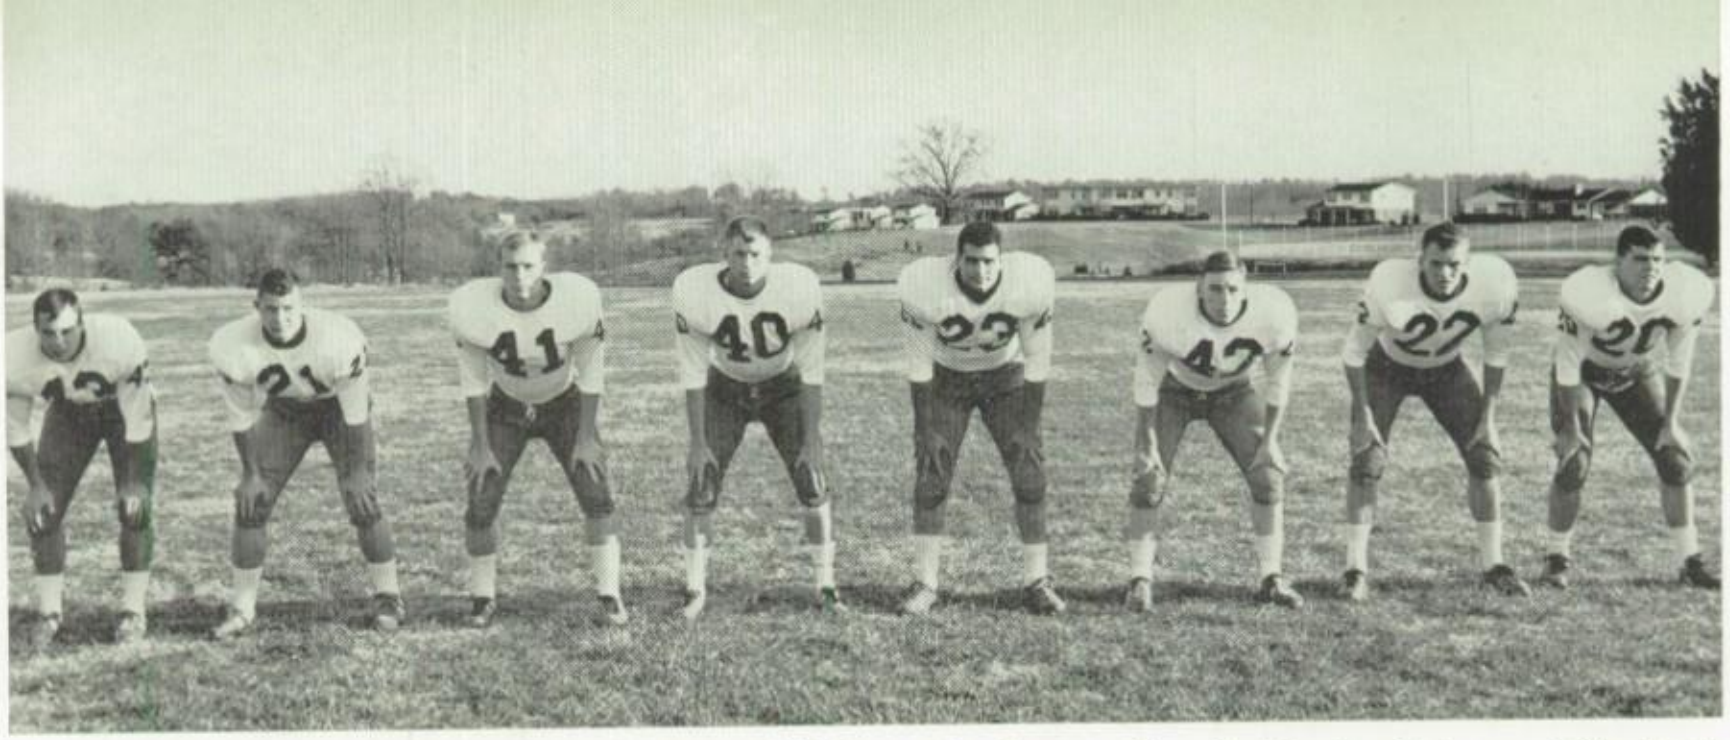
The varsity had a field day against Carolina Military Academy, as the offense boomed all through the game. Quarterback *Garland Hudson* got things started for the Blue-Devils with a three yard plunge for a touchdown. *Mike Sheridan* scored next, going over from the five. *Charles Blanton* scored the third touchdown, and *Jim Keith* scored numbers four and five with passes of 20 and 30 yards respectively. *Bill Jones* kicked for two extra points, and *Joe Pancza* ran across for two point conversions twice. Carolina's only touchdown came when defensive back *Tommy Bullock* picked off a *Garland Hudson* pass and ran 70 yards for the score. Carolina's extra point was no good. This victory gives Fork Union a record of 5-2, and it looks like they are gaining momentum for the coming Thanksgiving Day game.

8 AUGUSTA MILITARY ACADEMY vs. F. U. M. A. 34

Fork Union's varsity Blue-Devils wrapped up their third consecutive Military League Game by defeating Augusta 34 - 8. This also wrapped up the State Championship. *Jim Keith* started the scoring in the first quarter by taking a touchdown pass from *Garland Hudson*. The point after was missed, and Fuma led 6 -0. Augusta then scored and made a two point conversion, taking the lead 8 - 6. From then on its was Fork Union all the way, as *Joe Lebedz, Joe Pancza,* and *Garland Hudson* each scored one touchdown. Jim Keith also took another pass for his second touchdown of the game. *Bill Jones* was successful in four of five conversion attempts. The win gave Fork Union a 3 - 0 standing in the league with only Staunton left to play. In the league play Staunton has a 1 - 2 standing, so win or lose on Thanksgiving Day, Fork Union should have the title of State Champions. By winning this third straight year, the league trophy is now retired to the Blue-Devils' home at F.U.M.A. For the year at present Fork Union has a 6 - 2 standing. We are proud of you Big Team, so keep up the good work and true sportsmanship.

Tackles on F.U.M.A. Teams: Bruce Gardner; *Phil* Grappo; *Bill* Scarola; *Dick* Biddle; *Gary* Huhn; *Jim* DiGiacinto; *Charlie* Steger.





Halfbacks on F.U.M.A. Teams: Charlie Blanton; *Bill* Jones; *Joe* Pancza; *Dave* Smith; *Joe* Cortoneo; *Mike* Sheridan; *Art* Roberson; *Jim* Stevens.

3 STAUNTON MILITARY ACADEMY vs. F. U. M.A. 6

After a three week lay-off the Big Blue Devils had a tough time getting an attack going against Staunton. Fork Union, with a 3-0 league record, was the decided favorite in the game, Staunton having a 1-2 record in league competition. But in years gone by, previous records haven't made much difference on Thanksgiving Day. This fact proved true in the first half, as the two teams left the field in a scoreless tie. Then about midway through the third period Staunton drove into Fork Union territory. The Fork Union defense finally held on a third down play, but Staunton was still able to salvage a field-goal. F.U.M.A. trailed by 3-0. After the kick-off the Blue Devils launched a hard hitting ground attack, converting big third down plays into first downs. At last it was first and goal to go from the 7 yard line. Then a four yard loss came on an attempted end sweep. On the next play Fork Union drove to the six. On third down the ball was carried to the one yard line. *Coach Red Pulliam* gave the go ahead on the fourth down and *Joe Lebedz* went through for the touchdown. The point after was missed, and the score was 6-3. Afterwards Fork Union exercised ball conrol, and Staunton was never able to get to midfield again. The win gave Fork Union a final 7-2 overall record and a third consecutive undefeated season in the league. Congratulations to our winning team and our *Head Coach Red Pulliam* and *his Excellent Staff.*

Junior Varsity Football

6 E. C. GLASS HIGH SCHOOL J.V. vs. F. U. M.A. J.V. 26

The Junior Varsity opened their 1965 season with a convincing 26-6 victory over Lynchburg's Glass High School. After suffering a 7-0 defeat last year, everyone was fired up for the game. All 26 points were scored in the first half with *Doug Johnston* and *Wayne Duncan* each scoring two touchdowns. In the second half the starting team rested while the second team held Glass to only one touchdown. One of the game's most outstanding players was *Josh Tarrington*, the quarter-back, who mixed up his play very well and kept Glass constantly on the run throughout the first half. He was helped tremendously by a strong defense sparked by *Wayne Duncan's* two interceptions. After playing this first game, the team shows the potential of being the league champs for the second consecutive year.

6 GREENBRIER MILITARY SCHOOL J.V. vs. F. U. M. A. J.V. 36

The red-hot Junior Varsity squad won its second game of the season from Greenbrier 36-6 on another offensive showing. *Doug Johnston*, who was the out-standing runner of the game, scored three touchdowns for FUMA. *Bob Evans* and *Wayne Opocensky* each scored one T.D. The Greenbrier team had little or no offensive attack; and even the touchdown they did score was very questionable, as the Fork Union defense piled them up at the line of scrimmage on the fourth down. This same defense was led by two more interceptions by *Wayne Duncan* of the defensive secondary. *Josh Tharrington*, our very good quarter-back, and *De McKay*, our very good end, turned in the entire J.V. passing attack with seven attempts by *Josh* and seven receptions by *De* totaling slightly under 100 yards. This big win gives the J.V. a 2-0 over all record and 1-0 in the military league. Greenbrier had previously beaten a high school 13-7 and Staunton Military Academy 20-0.

13 HUGUENOT ACADEMY J.V. vs. F. U. M. A. J.V. 32

The Junior Varsity, playing their third game of the season, romped to a 32-13 victory over Huguenot Acad-emy at Powhatan, Virginia. The game was a sort of grudge game, because two years ago the J.V. team played at Huguenot and lost 33-0. For the third straight game Fork Union quickly scored two touchdowns to break the other team's spirit. *George Cox* scored first on a nice 11 yard run and a pass from *Josh Tharrington* to *De McKay*. The conversion attempt made it 7-0 in the first period. In the same period *Josh Tharrington* completed another pass to *De McKay*, who ran 32 yards for the second T.D. The point after was missed and the score was 13-0. Huguenot did not fold, though, because they came back with a touchdown on a long pass mak-ing it 13-7. In the second period Fork Union twice drove inside the five yard line; on one occasion *Bill Evans* scored from the one yard line, and on the other occasion *Mick Sullivan* scored on a pass. *Doug Johnston* was the lone F.U.M.A. scorer in the second half with one T.D. The J.V.'s record now stands at 3-0.

12 HARGRAVE MILITARY ACADEMY J.V. vs. F. U. M. A. J.V. 28

A 28-12 score sounds like a fairly easy victory, but Hargrave kept Fork Union under pressure until the last five minutes, proving to be the toughest opponent so far. From the start of the game it was plain to see that Hargrave was fired up. They held the J.V.'s offense and quickly took the ball and drove for a first period T.D. The extra point was missed and Hargrave led 6-0. Fork Union, after taking the kick-off, then drove 80 yards; and *Doug Johnston* went over from the seven yard line to even the score. On the two point conver-sion attempt, *Josh Tharrington* passed successfully to *De McKay* making the score 8-6. At the start of the second half Hargrave put on a tremendous passing show eventually notching six more points, missing the extra point. Again F.U.M.A. came back with a long drive, and *Josh Tharrington* scored from the two. Fork Union led again 14-12. It remained anyone's game until the last five minutes. Hargrave drove to the F.U.M.A. 20 yard line, where they were held. On the next four downs the Little Blue Team was also held, but on the punt a Hargrave back dropped the ball. *De McKay* picked it up and ran it to the ten. *George Cox* then scored, and *McKay* made a two point conversion. Be-fore the end of the game *Mick Sullivan* ran another fumble into the end zone for the final score. The Junior Varsity's record is now extended to 4-0.

0 STAUNTON MILITARY ACADEMY J.V. vs. F. U. M. A. 32

This was the big one, the annual fight between the J.V. Blue-Devils and the Hilltoppers. In any sport at Fork Union, beating Staunton is a must, and no season is a success unless they are defeated. This year the so-far undefeated Fork Union team shut out Staunton 32-0. It has now been two years since Staunton scored against the Blue-Devils. Last year it was F.U.M.A. 20 - S.M.A. 0. *Doug Johnston* started out with a touchdown run of 15 yards. *De McKay* took a pass from the two point con-version. This score occurred in the second period about midway through. It remained 8-0, and that looked like all Fork Union would score in the first half, but with ten seconds left *Josh Tharrington* threw a bomb cover-ing 35 yards, and *De McKay* caught it in the end zone for a big T.D. The two point conversion was made by *Josh Tharrington*, and it was 16 - 0 at the half. In the second half Fork Union's tough defense gave up nothing, while *George Cox* and *Mick Sullivan* padded the lead with a touchdown each. This win sets up the J.V. for a championship provided they beat the Augusta crowd. F.U.M.A. league record is now 3-0.

0 WOODBERRY FOREST SCHOOL J.V. vs. F. U. M. A. J.V. 12

The Junior Varsity football team wound up the season with a big 12-0 triumps over a tough Woodberry Forest team. Everyone on the J.V. team has respect for Woodberry, while at the same time everyone holds a grudge. There is a good reason for this; Woodberry has won every game against F.U.M.A. since 1957. Also it might be noted that Fork Union, until this year, had defeated Woodberry only three times since 1947. From the reasons stated it becomes easy to see why the Blue-Devils considered this game even bigger than a league game. At the beginning of the game neither team could move the ball, but near the end of the first quarter *'De' McKay* caught a pass and ran 45 yards down to the one yard line. The last yard was tough, but *Doug Johnston* finally took it across on the third down. The conversion was missed, and Fork Union led 6-0. From then on it was all defense. Though Fork Union moved the ball fairly well, they just couldn't seem to score. Woodberry, on the other hand, could not move the ball at all. They were constantly deep in their own territory. Fork Union finally scored again in the last four minutes, as *Doug Johnston* made a three yard run. Thus ends an unbelievable season—*The JUNIOR VARSITY UNDEFEATED AT 7-0.* Congratulations to *Head Coach Ronnie Clark*, his staff and the entire team.

The king of sports today is archery. According to the National Association of Sporting Goods Dealers it is also the fastest growing sport in the nation. Those who already know the thrill of releasing an arrow to watch it speed with terrific force into a target understand the reason for such popularity. The challenge it offers as a skill, and bow hunting makes it an ideal sport for everyone. The sport of bow hunting has been accepted by sportsmen all over the country and has certainly earned the title, "*A Sportsman's Sport*".

Due to the many types of shooting offered by archery it has appeal to all ages. Archery not only gets you out into the woods and fields, but it is in the great American Tradition of clean competition.

Archery teams meet a growing demand for fellowship, competitiveness, handicraft and sportsmanship. In the winter evenings the construction of arrows, quivers, gloves etc. gives one a sense of pride and accomplishment. Spring target work tightens slack muscles, whets competitive appetities and speeds the archer toward the fall testing period, when he pits his skill against the cunning of a wild animal. Indeed archery is the king of sports.

ACKNOWLEDGMENTS

We, the members of the 1966 Skirmisher Staff, have enjoyed doing some work on this year's school annual. Within these pages is recorded a year of our lives and those of our friends and classmates, but all of our work would have been of little value had we not had the support and aid of many fine people. The staff wishes to thank sincerely:

Mrs. A. A. McClung of Andre Studio of Lexington, Virginia, and her staff for their excellent photography.

Mr. Irvin I. Silvers and the Garamond-Pridemark Press, Inc., Baltimore, Maryland, for their masterful printing and engraving, which have added a great deal to our annual.

To our advisers, Major H. F. Reichenbach and Captain C. F. Hoffman, go our most sincere thanks for their help, supervision, understanding and kindness in making it possible to publish such a fine book of our last year at Fork Union Military Academy.

Colonel Frank A. Crockett, Colonel H. M. Waldron, Major Irving A. Howell, Major James D. Lynch, Mrs. Ellen B. Stevens, Mrs. Robert M. Ivins and Mrs. R. L. Pulliam for their kind aid and cooperation.

We would like to express our appreciation for the opportunity that was given us and also for the help which we received from those who have contributed so much.

To Bill,
It's the time of your life. Get all the pussy you can and hang loose and take it easy.
John Casady

Bill,
Have lots of fun this summer but not too much.
Chuck Marsh

Good Fucking and have lots of fun.

Make like a oil well and shoot spurm all summer. Good luck! Let it dangle loose!
Jerkie LaRue

Ya Billy, I hope you don't get in too much trouble after you become a father.
Jack McClaughry

Billy
This summer Don't do ANY thing I wouldn't do with a girl and that's not much
